F A C T S H E E T

**APPROVAL TO SUPERSEDE 98 DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENTS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

REQUEST

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute the supersession of 98 Department of Mental Health (DMH) Legal Entity (LE) Agreements, using the approved LE Agreement format, to enable DMH to ensure the uniform implementation of revised and new provisions required in all DMH LE Agreements which provide for mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed children, adolescents, and their families. The total contract costs of \$477,674,300 are fully funded by (34%) State revenues of \$164,017,731, (43%) Federal revenues of \$204,164,345, (4%) Intrafund Transfers of \$16,856,816, and (19%) net County cost and/or Realignment funds of \$92,635,408, that are included in DMH's FY 2007-08 Proposed Budget.

The term of 26 LE Agreements will be effective upon the date of execution through June 30, 2008. The term of 71 LE Agreements will be effective upon the date of execution through June 30, 2008, with a provision for one (1) automatic one-year renewal period. The term of the Legal Entity Agreement with Tessie Cleveland Community Services Corporation will be effective upon the date of execution through June 30, 2008, with a provision for two (2) automatic one-year renewal periods.

2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements, as specified in the Board Letter.

PURPOSE/JUSTIFICATION

The supersession will ensure that all LE Agreements are in compliance with all revised and new provisions and that LE contractors comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. There has been an ongoing review of all DMH LE Agreements with contractors, and the Chief Administrative Officer and Auditor-Controller have previously recommended that there be uniformity of terms and conditions.

BACKGROUND

The LE Agreements with Short-Doyle/Medi-Cal mental health service contractors provide a broad range of mental health services which include, but are not limited to, diagnosis, evaluation, treatment, day care, respite care, living arrangements, community skill training, information, referral, consultation, and community services. The LE Agreements with three (3) specialty mental health service organizational contractors provide for medically necessary, mental health managed care for Medi-Cal beneficiaries.

The LE Agreement format includes revised and new provisions required in all County contracts. Clinical and administrative staff on DMH will also continue to administer and supervise the agreements, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

The LE Agreements include provisions that permit the County to reduce the Maximum Contract Amount (MCA) or terminate the agreements, whichever is applicable under the terms of the agreements, if, as a result of the adoption of the County and State budgets, funding for these agreements is reduced.

The attachment lists the 98 LE Agreement supersessions for FYs 2007-08, 2008-09, and 2009-10, specifying the contractors, Supervisorial Districts, Agreement terms, and MCAs per FY for each Agreement.
